**CIRCULAR REGARDING SCHOOL BUS**

Dear Parents,

Thank you for being an integral part of P.V.G's Muktangan English School & Jr. College. The school was established in 1978, with just a few classrooms and a handful of students, which has now grown in leaps and bounds. It has transformed itself into one of the renowned institutions in Pune. We have always catered to the all-round development and facilities of the child.

The school operates bus service for the students that is in keeping with the norms prescribed by the Government. Needless to say, the school bus service is the most reliable and safest mode of travel as compared to private vehicles. Children travel in comfortable buses with satisfactory seating arrangement, supervised by trained lady conductors to ensure the safety of your wards. Our school buses strictly follow the RTO rules and also adhere to the timings of the school. Even during emergencies like heavy rains, strikes etc., the safety and wellbeing of our children is of prime importance.

Considering the numerous advantages of using school bus services, we highly recommend parents to avail the school bus facility.
